## School Report.

To the Citizens of Smithfield :

I hereby submit the annual report of schools for the year ending Feb. 20, 1903.

The teachers with few exceptions have been judicious and efficient in discipline and the results accomplished in school work during the year have been very satisfactory.

We have maintained eighteen terms of school aggregating 136 weeks making twenty-three weeks in each of the following schools: East Pond, Gould, Village, Whitehouse and City. Oak Hill school had two weeks less on account of sickness on the part of the teacher of the winter term.

The principal school statistics are exhibited in the following table.

### School Statistics.
